

American Youth Football and Cheer National Championship Week

December 5-12th 2009

Orlando, Florida

Dear Principal, Teacher, and /or Staff member,

We are pleased to announce that a child or group of children from your school has earned the right to represent his/her local American Youth Football/Cheerleading Association at the 2009 American Youth Football and Cheerleading National Championships in Orlando, Florida December 5th through December 12th, 2009.

AYF is a leading national youth sports organization in the United States that requires its participants to maintain certain academic standards in order to be eligible for participation. Because we understand that not all students-athletes meet scholastic requirements, we ask schools to determine whether participation in the AYF program is a benefit to the child in question.

We strive to work in accordance with school systems around the country and prepare children for their future, abiding by the guidelines of the National Federation of High Schools and the National Collegiate Athletic Association.

Study sessions will be offered in Orlando. We will provide rooms at the hotel throughout the week that will serve as study hall rooms. Two Chicago Board of Education teachers, and other tutors will be present for assistance.

If you feel that it is not in the best interest of the child to make the trip to the National Championship in Orlando, Florida, please contact the child's parent to further discuss the matter. We do not want to jeopardize the academic status of any of our participants.

Thank you for your assistance regarding this outstanding educational, social, and athletic experience.

Sincerely,

Joe Galat
President
